HP Indigo 100K Digital Press
Born to Run
From competitive short runs to long term strategic gains

The new HP Indigo 100K Digital Press, world's most productive B2 digital solution with true digital nonstop print capabilities, at 6,000 sheets per hour. It's a breakthrough press that completely recalculates your total cost of ownership.
It's a profit center that boosts margins on the short runs you're already doing, and a business generator that accelerates you into a world of untapped digital business opportunities.
