 **Pride

Awards**

WELCOME

“Enjoy the innovation and quality of our Pride In Print winners.”

Welcome to Christchurch where Pride In Print is proud to lend its support to the revival of this great city.

By bringing the Awards to Canterbury, we are playing our part to boost the economic growth of the region. Thank you to our Patrons and Sponsors who make this possible. Enjoy the night, enjoy Christchurch, and enjoy the innovation and quality of our Pride In Print winners.

*Scott Porter, Awards Chairman
Sue Archibald, Awards Manager*

As Convenor of Judges I am proud to record that judging this year was the hardest it has ever been due to the quality of entries.

The benchmark has risen again, and that is what Pride In Print is all about. We lay down the challenge to the print industry to lift the bar of quality and find new ways to apply print, so that our industry is seen as commercially dynamic and relevant – and we see excellent proof that the challenge is being met.

Symon Yendoll, Convenor of Judges

“We see excellent proof that the challenge is being met.”
